

RON SERVICES

Remote Online Notary, E-Closings, Remote Closing Services

I. DO WE HAVE DIFFERENT OPTIONS FOR CLOSING WITH CHICAGO TITLE AGENCY?

Yes! Chicago Title currently offers RON services, e-closings, as well as remote closings.

II. WHAT ARE RON SERVICES AND HOW DOES IT WORK?

RON stands for Remote Online Notary, if permitted by the lender – we can notarize your documents via video conference and save you the trip to our office. We currently use an accepted platform called BlueNotary to upload and transmit documents to signers. All signers have their identity verified on a MISMO approved level using knowledge-based questions or biometric verification before meeting with our notary via a live video stream. The process is secure, convenient, and safe.

III. WHAT IF WE WANT TO CLOSE ELECTRONICALLY BUT DON'T NEED DOCUMENTS NOTARIZED?

We can take care of that as well! We offer e-signing (e-closings) via the same BlueNotary platform that we use for our notarizations. The process is similar and ensures convenience for all parties involved.

IV. WE DON'T THINK WE WANT TO SIGN ONLINE OR COME TO THE OFFICE, IS THERE AN OPTION FOR THAT?

Of course! We offer remote closing services throughout the United States. If you do not wish to come to the office or are unable to attend closing for whatever reason, we can send a notary to a location of your choice.

V. WE HAVE MORE QUESTIONS ABOUT THESE SERVICES, WHO SHOULD WE CONTACT?
